He has launched a new concept of redevelopment of old society with personal touch a concept Known as Mayfair Upgrade. Mayfair Upgrade has an integrated team for particularly redevelopment consisting a business development team, architect team, liaisoning team and legal team.

S D Corporation

Amit Thacker comes from a thorough business family. His grandfather Ramanlal Thacker built the strong foundation of the Thacker business empire in the 1950s. Extending the food business further Amit's father Dilip Thacker started some fine restaurants in Mumbai and soon diversified into hotels in Pune and Matheran and also stepped in the real estate market with develop-

ments primarily in Pune and Mumbai. Amit graduated from the 'Babson College, Massachusetts', USA, where he acquired his Bachelor of Science degree with a major in Entrepreneurial Studies and Economics. Young, dynamic and with a slew of innovative ideas Amit is passionate about 'The Imperial' project and is keenly involved in the day to day activities. His involvement and inputs have transformed this project several notches above the original vision.
